An Exceptional Location

Bodrum

Bodrum is one of the top destinations for summer holidays, a truly exceptional corner of the Aegean. Steeped in history and once home to numerous civilisations, it stands today as one of the world's most renowned holiday destinations. From its Blue Flag beaches and iconic whitewashed houses to its lush green landscapes, the majestic Bodrum Castle and countless historical landmarks, the region offers an unforgettable mix of seaside relaxation and cultural discovery.

Home to important historical landmarks like the Mausoleum of Halicarnassus, one of the Seven Wonders of the Ancient World, Bodrum has long served as a source of inspiration for many renowned artists and writers. Among its most devoted admirers was Cevat Şakir Kabaağaçlı, the Fisherman of Halicarnassus, who expressed his love for Bodrum with these unforgettable words: "When you reach the top of the hill, you'll see Bodrum. Don't assume that you'll leave as you came. The others before you were the same too. As they departed, they all left their souls behind."

Bodrum offers something for everyone, from world-class restaurants to stylish marinas and vibrant entertainment venues. Located 45 kilometres from Bodrum-Milas Airport and just 22 kilometres from the town centre, Caja by Maxx Royal invites you to experience unforgettable moments in a setting where shades of blue and green meet in perfect harmony.
